

NEW TRANSIT CUSTOM NUGGET - ORDERING GUIDE AND PRICE LIST

Effective from 1 April 2020

Nugget - 4 Berth / 5 passengers

• **Vehicle Features:**

- DAB / AM / FM radio with 2 x USB , 4.2" TFT Screen (non touch), Bluetooth and SYNC with Emergency Assistance
- **Door mirrors – Power-foldable, electrically-operated and heated**
- Projector style headlights with static cornering lights
- Privacy glass in rear passenger compartment
- Bodycolour front bumper
- Front foglights
- Front and rear park distance sensors
- Auto lights and wipers
- Cruise control with adjustable speed limiter
- Quickclear heated windscreen
- Leather trimmed steering wheel
- Map reading lights
- Lockable glove box
- 16" Alloy wheels
- Rear wash wipe
- Roof console
- 2nd remote key

• **Interior Camper Features:**

- 1st row heated Captain's chair swivel seats with armrests. BVFBS
- Rear folding table for dining, recreation, use as a work desk
- Premium LED-interior lighting to include fully directional spot lamps
- 40L refrigeration system
- Sink & water supply system with 42L fresh and grey tanks
- Gas fired cooking facilities
- External 230-240V electrical connectors
- Fresh water fill-up supply connectors
- Internal power supply: 3 x 240V @ 300W / 2 x 12V / 2 x USB ports
- Window blind all round
- Gas bottle storage (2.8kg standard)
- Shower facility
- Roof in vehicle body colour
- Rear bench seat that converts into a bed for 2 people
- Auxillary adjustable fuel fired heating system. 400W Output
- Camping table fixed at tailgate & 2 camping chairs.
- Awning - Anthracite or Silver.
- Warm water boiler

• **Folding Tilt Roof Features:**

- 1 roof bed that sleeps 2 people - 2.00m x 1.38m including ladder and a foam mattress with elastic spring elements for best sleeping comfort.
- 3 side windows (side left/right and rear) with blinding and mosquito protection
- Roof bed include an effective safety and security package to prevent accidental egress.
- 2 roof rails for special equipment.
- 1 side rail.

Nugget is camper series and must be ordered using with SVO codes "C9" and "A930"

The OTR price assumes that Custom Nugget is classified as an M1 passenger car.

† 'Recommended On the road' price includes delivery to dealer, one year's Government excise duty (see below), DVLA first registration fee and an estimate for number plates. Kombi M1 prices include VAT, all other OTR prices exclude VAT.

⁰ The CO2 emissions test figures shown in the table do not express or imply any guarantee of the emissions or fuel economy of the vehicle in question. All the figures are based on tests conducted on vehicles with standard wheels and tyres.

From 1 September 2017, certain new vehicles will be type-approved using the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), according to (EU) 2017/1151, as last amended, which is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions. From 1 September 2018 the WLTP will fully replace the New European Drive Cycle (NEDC), which is the current test procedure. During NEDC Phase-out, WLTP fuel consumption and CO2 emissions are being correlated back to NEDC and will be shown as CO2mPas figures. There will be some variance to the previous fuel economy and emissions as some elements of the tests have altered i.e., same car might have different reported fuel consumption and CO2 emissions. To learn more about the new testing procedures, please visit www.dft.gov.uk/vca/fcb/wltp.asp. The figures in the table above are CO2mPas figures.

Optional or Accessory wheels and tyres may have an effect on the emissions or fuel consumption of a vehicle. For further information on CO2 and fuel performance please refer to the separate vehicle brochure.

* Not applicable to retail or private car buyers. Benefit in Kind (BIK) values are the monthly taxation payment applicable to company car users. BIK values were correct at the time of printing and are based on taxation rates for 2020/21 tax year.

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED rate (currently £325) for five years after the end of the first registration (in addition to the standard £150 VED charge per year).

DVLA Vehicle Excise Duty Bands

VED Category	Classification	Cost (£)
TC49	Diesel Car Band 'J' (CO2 from 151-170g/km)	1305
VED Category	Classification	Cost (£)
TC49	Diesel Car Band 'K' (CO2 from 171-190g/km)	1850

Exterior Features

Dual side load doors (Included in Camper Pack C9)
Liftgate (glazed) (Included in Camper Pack C9)
Trailer tow attachment , includes trail sway control
Trailer tow electrics SVO A055 - see SVO tab for further details
Running boards (dual side) (Included in Camper Pack C9)
Flip Open 2nd row LHS & RHS windows (Included in Camper Pack C9)
Side windows – Third row, driver and passenger's side, fixed (Included in Camper Pack C9)
Light tinted glass (78% luminous transmittance) - ILO Privacy glass (37% luminous transmittance)
Privacy glass (B-pillar rearwards - 37% luminous transmittance) (Included in Camper Pack C9)
Rear wash wipe (transmission linked) (Included in Camper Pack C9)
Bi-Xenon Headlamps with LED Running Lights and Static Bending Headlamps
Halogen Projector Headlamps with LED Running Lights and Adaptive Cornering front Fog Lights
INTERIOR FEATURES
Front manual air conditioning
Smokers pack
First aid kit

[#] a range of solid colours available, consult your Transit Centre for Details. SVO paint suffix must be entered at time of ordering. SVO paint comes with black (self-colour) bumpers, bodyside mouldings, mirror housing, and door handles.

^{##} must be ordered in conjunction with SVO paint colours. This pack will pull in the self-coloured bumpers and mirror caps to replace body coloured parts.

^{###} must be ordered in conjunction with the paint colours. This pack will pull in the self-coloured bumpers and mirror caps to replace body coloured parts. In addition the standard 16" alloy wheels will be replaced by 16" steel wheels.

Key: S = Standard, O = Option, at extra cost, □ = Part of pack, at extra cost, – = Not Available. N/C= No Charge Option

CUSTOM KOMBI FUEL CONSUMPTION

The test used to establish fuel consumption and CO2 figures has changed to deliver results that are more representative of real life driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test.

The table below shows the fuel consumption (WLTP) and CO2 emissions (NEDC equivalent) figures for each available engine. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.

The figures shown are for comparability purposes; only compare fuel consumption and CO2 figures with other vehicles tested to the same technical procedures.

Engine	2.0L Ford EcoBlue 130PS (96kW) ^{øø}	2.0L Ford EcoBlue 185PS (136kW) ^{øø}	2.0L Ford EcoBlue 185PS (136kW) ^{øø}
Transmission	6-speed manual	6-speed manual	6-speed automatic
Available on	Nugget	Nugget	Nugget
Euro Stage	Stage 6.2 + DPF	Stage 6.2 + DPF	Stage 6.2 + DPF
Maximum Power PS (kW)	130PS (96kW)	185PS (136kW)	185PS (136kW)
Torque Nm	360	415	415
CO2 emissions (WLTP) ^{øø}			
320 L1	191	162	182
Combined Fuel Consumption^{øø} (WLTP figures with no options)			
Lowest Performing MPG (L/100km) Combined	7.9	7.8	9.3
Highest Performing MPG (L/100km) Combined	8.3	8.8	8.3

*In 4th gear. ^øFord test figures.

^{øø} The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO2-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

² Item is non-Ford branded from an approved supplier

For any more information about any of the included Ford Accessories, or to view a full range of Ford Accessories visit www.ford-accessories.co.uk

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name.

Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.

Fitting of accessories may have an impact on your vehicle's fuel consumption.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

The delivery charge is included in the Basic Recommended Retail Price and is made on all models for delivery to the Dealer's premises. Where delivery is not made to the customer at the Dealer's premises a further charge may be made by the Dealer.

The Vehicle Excise Duty (VED) charged on new cars is based on their engine's CO₂ emissions* (expressed in grams per kilometre (g/km)). All CO₂ emissions figures in g/km are from officially approved tests in accordance with European Regulations (EC) 715/2007 and (EC) 2017/1151 as last amended.

The chart above shows the Bands and the VED which will be levied (for vehicles registered from 1st April 2020 onwards).

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £325) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £150).

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's recommended on the road prices and recommended retail prices. Please contact your Ford dealer for final sale prices. This price list is effective from 1 April 2020, and supercedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at any time. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. Some images portrayed are of a pre-production model and/or are computer generated, therefore the design / features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint. Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
